

# You are invited to a very special evening with author Jason Berry

Investigative journalist and author Jason Berry achieved prominence for his reporting on the Catholic Church sex abuse crisis in *Lead Us Not Into Temptation* (1992), a book used in many news-rooms. He has been widely interviewed in the national media, with many appearances on Nightline, Oprah, ABC and CNN. USA Today called Berry "the rare investigative reporter whose scholarship, compassion and ability to write with the poetic power of Robert Penn Warren are in perfect balance."

His latest book, *Render Unto Rome: The Secret Life of Money in the Catholic Church* is an investigation of epic financial intrigue

on local, regional and global scales. This in-depth, deeply researched work shows how a world-wide religious institution and diplomatic state has been able to carefully manipulate small donors, governments and U.S. taxpayers to fund a clerical bureaucracy free from scrutiny, transparency and accountability. A book as relevant to taxpayers as it is to Catholics, it is a call to action for anyone who demands fiscal responsibility from non-profit religious institutions and justice for victims of child sexual abuse.
