WHAT DOES SHARE! DO?

Carries the message Introduces 14,732 newcomers to self-help support group meetings throughout Los Angeles County each year

Creates recovery environments Provides comfortable, air-conditioned, safe recovery space to 140 self-help meetings and 1,358 people weekly at SHARE! Culver City and SHARE! Downtown

Catches people falling thru the cracks Welcomes people who have been turned away elsewhere, due to their behavioral issues, denial, PTSD or other reasons, and helps them get into recovery

Housing Moves 599 people a year into self-help housing, such as Sober Living and Collaborative Housing--housing for people with mental illness or other disabilities

Jobs Helps 197 people find employment each year who have been out of work because of mental health, substance abuse, jail time, medical or other reasons

Expands recovery Helps 53 new self-help support group meetings and programs get established each year, including groups in Spanish and other languages

Champions self-help Advocates locally and nationally for self-help support groups of all kinds, e.g. health, mental health, substance abuse, life changes, bereavement, parenting, etc.

SHARE!'s services are available to everyone in Los Angeles County anonymously and free.
